🔒 Secure Mounting

🧲 Magnetic Attachment

🎯 Magnetic Alignment

⚡ Wireless Charging

Secure Mounting

SP Connect's innovative patented 90° twist-to-lock interface is easy to use and highly durable.

Magnetic Attachment

Thanks to a magnetic ring surrounding the interface, you can attach our Phone Case to every metal surface. A whole new world of possibilities.

Magnetic Alignment

Engineered to enable effortless, precision attachment of your smart device onto any SP Connect mount, ensuring a perfect fit every time.

Wireless Charging

The SP™ Phone Case is compatible with MagSafe® and similar chargers.
For easy and effective wireless charging.

Case & Universal Solutions

Be perfectly equipped for your adventures. Our universal solutions can be used with most common smartphone models.

PHONE CASE

Slim, flexible and ultimately secure. Enjoy optimal protection with our Phone Case - around the clock.

- Secure Mounting
- Magnetic Attachment
- Wireless Charging
- MagSafe® Compatible
- Impact Resistant
- 3-Layer Case Construction
